

# Accessibility statement for the Omakala application

This accessibility statement concerns the Natural Resources Institute Finland's (Luke) Omakala application service, and it was prepared on 1 June 2022 and updated on 7 June 2022. The service is governed by the Act on the Provision of Digital Services, which requires that public online services and mobile applications must be accessible. This accessibility statement describes how the online service complies with the Act on the Provision of Digital Services ([www.finlex.fi](http://www.finlex.fi)), what flaws there are in the accessibility of the online service, and how you can send us feedback on accessibility.

The Omakala application was published on 8 June 2022.

Luke has assessed the service's accessibility independently.

## Status of digital accessibility

The service meets accessibility requirements in part.

## Inaccessible content

### Not within the scope of legislation

- Maps not intended for use in navigation (e.g. weather and topographic maps).

### Content and functions that are not yet accessible

- **Control: Function focus order**

**Inaccessible content and flaws in it**

The function focus order has not yet been assessed.

**Unfulfilled accessibility requirements**

- 2.4.3 Focus order

**Did you notice a flaw in the accessibility of our digital service? Tell us about it, and we will do our best to correct it.**

**Online form**
