

Register description

Personal Data Act ([523/1999](#)) 10 §

<p>1 Controller of register</p>	<p>Natural Resources Institute Finland (Luke) PL 2 FI-00790 Helsinki Tel. +358 29 532 6000</p>
<p>2 Person(s) in charge of register issues</p>	<p>Susanna Rokka Tel. +358 29 532 6000 Email: susanna.rokka@luke.fi</p>
<p>3 Name of register</p>	<p>SUSFOOD 2 project's register of interest groups</p>
<p>4 Purpose of processing personal data in the register</p>	<p>The data in SUSFOOD2 project's register of interest groups is used for communication, such as sending electronic press releases, newsletters and invitations to the interest groups, as well as for networking activities, information exchange, and outreach with the project's interest groups.</p>
<p>5 Information kept in the register</p>	<p>Person's name, organisation, role/position and contact information for place of work.</p>
<p>6 Sources of data</p>	<p>Personal information in the register is obtained through surveys, contact forms on the SUSFOOD2 project's website or from reliable public sources.</p>
<p>7 Transferring or disclosing data</p>	<p>No data will be transferred outside the EU or EEA or disclosed to other organisations.</p>
<p>8 Register protection</p>	<p>The register is maintained in a digital format on a computer hard drive or similar device and using an electronic data system. Access to the hard drive and the electronic data system is protected by user identification and passwords. Personal information in the register will be maintained during the lifetime of the SUSFOOD2 project. The data will be deleted by removing the register files from the computer and from the electronic data system.</p>
<p>9 Informing the persons whose personal data will be saved</p>	<p>Prior to sending the personal information through a survey or a contact form, the person has confirmed that they understand and agree that their personal data will be saved to the SUSFOOD2 register of interest groups.</p> <p>This register description is available on https://www.luke.fi/en/registry-descriptions and upon request in the Registry Office of Natural Resources Institute Finland (Luke), FI-00790 Helsinki, Finland.</p>
